ABOUT CRCE

Fr. Conceicao Rodrigues College of Engineering (CRCE), located in Bandra, Mumbai, is one of India's premier engineering institutions. Established in 1984, CRCE is an autonomous institute under the University of Mumbai and is approved by AICTE. The institute has been awarded Grade 'A' by NAAC, reflecting its commitment to academic excellence, innovation, and holistic education.

With a strong legacy of excellence, CRCE offers undergraduate and postgraduate programs in engineering, fostering an environment of academic, research, and industry collaboration. The institution is renowned for its emphasis on practical learning, state-of-the-art infrastructure, and an industry-oriented curriculum that equips students with the skills needed to excel in their careers.

CRCE has consistently produced highly skilled engineers who contribute significantly to industries ranging from software development and artificial intelligence to robotics and sustainable technology. The college also encourages entrepreneurship and innovation through its vibrant incubation cells, hackathons, and technical events. Through its commitment to holistic development, CRCE nurtures not just technical expertise but also leadership and teamwork, making it a preferred choice for companies seeking skilled and innovative engineers.

ABOUT IEEE AND WIE

IEEE CRCE-

Founded in 1995, IEEE CRCE is one of the oldest Student Chapters in the Bombay Section.

Currently, in its 30th Year, we aim at providing our students with technical expertise, thus bridging the divide between Industry and Academia.

We host National Level Competitions, Workshops, Skill Development Programs, Industrial Visits, Technical Conferences along with Humanitarian Activities.

WIE CRCE-

WIE-CRCE is an affinity group of IEEE which is the world's leading professional association for the advancement of technology.

WIE-CRCE aims to inculcate the importance and advancements related to technology and social issues to women to make them whole as an individual with a firm technical background.

PRAKALP

Prakalp is a one-day national-level technical innovation event that brings together 80 shortlisted teams from engineering institutions across the country to present cutting-edge hardware and software projects before an expert panel of academic and industry judges. The event highlights practical problem-solving, emerging technologies, and impactful real-world solutions developed by young innovators.

Prakalp serves as a dynamic convergence of high-potential engineering students, faculty members, industry professionals, mentors, and technology enthusiasts, fostering meaningful interaction and knowledge exchange. With strong participation from a tech-driven student audience, the event offers sponsors significant brand visibility, direct engagement with future talent, and association with innovation and technical excellence, making it an ideal platform for organizations looking to strengthen their presence within the academic and technology ecosystem.

BARTER COLLABORATION

- Social Media Promotion: Boost brand visibility through strategic social media campaigns.
- Product Features: Highlight key product attributes through engaging content.
- Giveaways: Drive engagement with exciting giveaways.

Website Features:

- Sidebars/Advertisements: Utilize website sidebars for effective ad placements.
- Google Reviews*: Encourage and showcase positive Google reviews.
- Sponsored Posts: Leverage sponsored content to reach a broader audience.

BARTER COLLABORATION

Content Creation*:

- Reels in Partnership: Create dynamic reels in collaboration with partners.
- How-To/Tutorials: Provide valuable how-to guides and tutorials to educate your audience.

Product Placements*:

- Throughout Course of Event: Seamlessly integrate product placements during events.
- Judges/Chief Guest: Feature products prominently with judges or the chief guest.
- Winners/Awards: Associate products with awards and recognitions for maximum exposure.

STALL COLLABORATION

Provide you with stall space within
the campus of Fr.
Agnel Ashram

Highlight your stall with engaging
shout-outs during the
event.

Stall space options for single-
event/multi-event
collaboration
